Mr. Paul Morrison  
Health Facilities Coordinator  
Alaska Native Tribal Health Consortium  
1901 South Bragaw St., Suite 200  
Anchorage, AK 99508-3440

Dear Mr. Morrison:

This letter serves as Addendum J to Award 100 between the Denali Commission and the Alaska Native Tribal Health Consortium (ANTHC). The following project changes are made through this action:

**AN04-G96 - Teller Clinic Construction - <\$233,606.22>**

Funding in the amount of \$233,606.22 is deducted from the Teller Clinic Construction project making the balance \$100,819.94.

**AN04-G95 - Kodiak Design -- \$233,606.22**

Funding from the Teller Clinic in the amount of \$233,606.22 is added to the Kodiak Design project.

This action coincides with Addendum A to Award 288-07, which reduces funding from Kodiak in the amount of \$233,606.22 and adds to the Teller Clinic Completion project. These actions expend the balance of FY03 funding within the expenditure period. According to award documentation, as of September 2007 a balance of \$532,927.16 can be attributed as FY03 funds on Award 100, and \$299,302 of that can be attributed as Base funding therefore making the balance of HRSA funds \$233,606.22. This action fully expends FY03 HRSA funds on Award 100. The remaining FY03 Base funds are to be expended by Quarter 1 of FY08, as Award 100 expires December 31, 2007.

Sincerely,
